Dear Ron,

I want to send my sincere thanks and appreciation for Johnson Heating Cooling & Plumbing investing in our community and our affiliate. Your generous donation of equipment and manhours in the installation of the HVAC unit at our recent Greenwood house build helped make the build a huge success.

Habitat is blessed to have Johnson Heating Cooling & Plumbing as one of our community partners. Because of you and your team, our community is a better place to live and we are able to continue to *build hope, build dreams, and build lives, one family at a time.*

I look forward to working with you in the future. Thank you for believing in our mission.

Sincerely,
